**ENJOY INSIDER ACCESS**

Meet and get to know Jean-Michel Cousteau in the intimacy of a small group of travelers as you share excursions into the Amazon jungle and enjoy cultural experiences in Cambodia and Vietnam. Grab a bike or a kayak and pedal or paddle beside this fun and entertaining world traveler as he shares hilarious moments from his many journeys.

**LEARN FROM  
A MASTER**

Try your hand at your own video storytelling as you receive valuable tips from a world-class film producer. Relax in the evening as Jean-Michel provides a personal perspective before you enjoy screenings of some of his award-winning films.

**JOIN IN INTERACTIVE  
Q&A SESSIONS**

Ask questions of this world-class explorer in evening discussions following his storytelling about his adventures and hear what he's learned about advocacy in ocean conservation. Discover the man and the vision behind the Ocean Futures Society through informal conversations over drinks.

**EXPERIENCE THE  
AMAZON AND MEKONG  
FROM THE PERSPECTIVE  
OF A CONSERVATIONIST**

Discover these two fascinating destinations as you learn about the challenges conservationists face preserving wildlife habitats and delicate ecosystems, respecting cultural traditions and balancing economic pressures which threaten the environment. Listen to evening talks and join the conversation with Jean-Michel as you learn about international conservation from a true expert.
